

Holy Trinity CE Primary School, Sunningdale

Believe. Achieve. Inspire.

Holy Trinity Primary School appreciates the contribution of PE to the health and well being of its children. We also acknowledge that a broad, balanced high quality curriculum and extra curricular activities have a positive impact on concentration, attitude and achievement. We are committed to ensuring that all pupils receive a minimum of 2 hours of PE per week, delivered by well trained and enthusiastic teachers. The Sports Premium Funding is allowing us to develop a sustainable improvement in teacher confidence and to firmly embed a culture of participation for all pupils.

Regular staff training opportunities are provided for teachers and teaching assistants (TAs) to keep them abreast of new initiatives. Holy Trinity has a positive reputation in sports provision and success which could not have been achieved without the support and commitment of staff and parents, which is very much appreciated.
