

Meeting 2nd November

Ask your class:

1. We would like to discuss ideas to help us look after the playground equipment.

Do we need...

- Monitors?
- Shall we have equipment only on the playground so it doesn't go into the allotment / over the fences?
- Any other ideas?

2. What new playground equipment would you like?

3. Film Night is coming up. What film would you like to watch?

Next meeting – Thursday 16th November
