On the number sentence, complete: 5 - 1 = 4	On the part-whole model, complete: 7 - 2 = 5	On the number sentence, complete: 10 - 1 = 9	On the part-whole model, complete: 4 - 3 = 1	On the number sentence, complete: 9 - 5 = 4

Instructions

- First player will roll the die and move forward that number of places.
- If they land on a take a task card space, they must take a card and perform the task by building the number sentence / part-whole diagram on the task board using the digit cards.
- If correctly answered, then they stay on the same space. If incorrect they go back to the start.
- The next player then takes their turn and repeat. The winner is the first player to reach the finish.
