

Compare School Performance Website

A step by step guide to using the Compare School Performance website.

Schools Financial Benchmarking Website

A step by step guide to using the Schools Financial Benchmarking Website

School Resource Management Self Assessment Tool

A step by step guide to using the SRM and SFVS self- assessment tools. The SFVS tool can help schools and local authorities meet basic standards for good financial health and resource management. The SRM tool can be used to reassure Academy trusts that they are managing resources effectively and help to identify any adjustments that they need to make.

View My Financial Insights

A step by step guide to using the financial insights tool which is accessible to members of Academy trusts who have an IDAMS account with the role of approver or preparer for the academies accounts return.

Benchmarking Report

An example of a benchmarking report.
