Phonics trend and explanation	- Pupils are grouped according to phonic phases. - Dedicated time for 4 days a week for discreet learning - Parent meeting and resource packs home in autumn term - Rehearse non words and real words. - Y1 has 6 pupils on SEN register – 1 with EHCP, 1 child out of year group - Y1 teacher left December '17 due to underperformance. New teachers (job share) employed January '18 - Y2 1 child dis-applied from screening									
Even better if...	- Use of more resources making it visual, practical and engaging (iPads, boards, ICT, games). - Find opportunities to rehearse and reinforce previous learning
