Applications to Consider – 2026/27 Academic Year

The following applications had been received for the 2026/27 academic year:

Year 2 – 2 x category 3 and 3 x category 4 – Year 2 (2026/27) already has 30 pupils with no known leavers at this stage. All applications were refused as the class is already at the maximum infant class size.

Year 3 – 1 x category 4 and 2 x category 6 – all applications were refused as none of the possible leavers have been confirmed. The Admissions Committee concluded that the admission of additional children to Year 3 would prejudice the provision of an effective education for the pupils in the class and would not be an efficient use of resources in class. The committee agreed that SL could offer places from the waiting list if they become available.

Year 4 – 1 x category 6 – the committee agreed for SL to offer the space in year 4 (2026/27) to this applicant.

Year 5 – 1 x category 5 and 1 x category 6 – all applications were refused. The Admissions Committee concluded that the admission of additional children to Year 5 would prejudice the provision of an effective education for the pupils in the class and would not be an efficient use of resources in class.

Year 6 – 1 x category 4 – this application was refused. The Admissions Committee concluded that the admission of additional children to Year 5 would prejudice the provision of an effective education for the pupils in the class and would not be an efficient use of resources in class.
