**Applications to Consider**

A Category 6 (other children) application for Year 5 had been received. The Committee considered the application. The application was refused as the Admissions Committee concluded that the admission of additional children to year 5 would prejudice the provision of an effective education for the pupils in the class and would not be an efficient use of resources in the class.

AW asked SL to find out how house boats are measured by distance and if mooring is static or not.

**Any Other Business**
