### **New In Year Applications**

New In Year applications were received for Year 3 and Year 6 (2024/25). All applications were category 6.

The Admissions Committee discussed the new applications.

Applications for both Years 3 and 6 were refused by the Admissions Committee after a discussion concluded that the admission of additional children to Year 4 or Year 6 would prejudice the provision of an effective education for the pupils in the class and would not be an efficient use of resources in class.

### **Any Other Business**

AW asked the committee members if they were prepared to consider a category 2 (families who have exceptional medical or social needs) application from the parent of two of the year 6 applications (twins). Committee members discussed the possible reasons in detail and agreed they would be prepared to consider any evidence the parent would like to provide in support of category 2.
