New In Year Applications

2023/24

The Admissions Committee discussed the following applications for the current academic year 2023/24:

2 x Category 6 application for Year 6

These applications were refused by the Admissions Committee after the discussion concluded that the admission of additional children to Year 6 would prejudice the provision of an effective education for the pupils in the class and would not be an efficient use of resources in class.

2024/25

The Admissions Committee then discussed the following applications for September 2024/25:

4 x Category 6 applications for Year 2

These applications were refused on the basis that the 2024/25 Year 2 class is already at the maximum infant class size.

1 x category 4 application for Year 3
1 x category 5 application for Year 3
2 x category 4 applications for Year 4
1 x category 4 application for Year 5
1 x category 6 application for Year 5

These applications were all refused by the Admissions Committee after the discussion concluded that the admission of additional children to Years 3, 4 or 5 would prejudice the provision of an effective education for the pupils in each class and would not be an efficient use of resources in class.
