New In-Year Applications for academic year 2022/23

The committee considered two new applications for academic year 2022/2023. An application for Year 1 was refused on the basis that the class is already at the maximum infant class size. An application for Year 3 were refused on the basis that all classes are already at the maximum number agreed with the local authority.

Admissions Policy 2024/25

AW explained that the revised policy for 2024/25 has no material changes and so consultation is not required. There are a few wording changes further to feedback from the RBWM Admissions Team. AW will now send the policy to the Diocese for review. The document will then be circulated to governors with a view to determining the policy at the next Full Governing Board meeting.
