New In-Year Applications for Sept 2022/23

The committee considered a new Category 6 Year 2 application for academic year 2022/2023. The application was refused on the grounds that the class is already at the maximum infant class size.

New SEN Pupil

JG reported to the Committee that the school has been directed by RBWM to take an extra pupil in to Y4 (2022/23) for SEN reasons. The child has an EHC Plan and Holy Trinity stated clearly during consultation that the school wouldn't be able to meet the child's needs. However, the child will be starting in September 2022 which takes class 4 to 32 pupils.

JG explained how the school will try to accommodate the child. AW asked how this allocation might affect staff wellbeing. JG said that the school is trying to recruit a member of agency staff to support the child one to one. More permanent recruitment isn't an option at the moment as it is not known how the child will settle into mainstream school and if this will be a long term situation.

Any Other Business

The Committee agreed that this would be the last Admissions Committee meeting for this academic year 2021/22.
