In-Year Application

The committee considered an in-year application for a Year 3 place. The application was refused on the basis that the Year 3 class is already at the maximum numbers agreed with the local authority.

Place to Offer

SL confirmed that there were two leavers in Year 6. One of the leavers has gone to a unit more suited to their needs and the other has been missing from education since March 2021 (thought to be in India). The local authority gave permission for Holy Trinity to remove this child from roll on 9th November 2021. Both of these pupils have had a negative impact on attendance levels up to their leaving dates.

There was one applicant on the waiting list for Year 6 who refused the place as their child is now settled in another school.

AOB

There was no further business for discussion.
