Place to Offer

Due to a confirmed leaver in Year 6, a place had become available to offer. The committee agreed to offer the place to the applicant at the top of the waiting list according to the oversubscription criteria detailed in the Admissions Policy. The committee noted that this child will be taught out of year group due to having come from abroad, having English as an additional language and having been out of school for a year. JG highlighted that this would have an affect on overall SATs results for Year 6 but that it is in the best interest of the child to start schooling here in Year 6 rather than Year 7.
