In-Year Applications

The committee considered 2 new in-year applications for academic year 2021/22. A category 4 application for Year 5 was refused on the grounds that the year group is already at the maximum number agreed with the local authority.

A category 4 application for a sibling was also considered. The child's date of birth is Year 7 but the applicant had asked that the committee consider the application for Year 6 (out of year group). The committee agreed that it would be in the best interest of the child to be in Year 6 rather than Year 7. However, the application was refused on the basis that Year 6 is already at the maximum number agreed with the local authority. The committee agreed that the child could be placed on the Year 6 waiting list if requested. SL agreed to check with Charters School that should the child start at Holy Trinity in Year 6 that this wouldn't be to the detriment of an application to Year 7 at Charters School.

(NB – SL checked this with the Admissions Officer at Charters School who confirmed they would accept an application out of year group at the request of the parents under the circumstances).
