Declarations of Interest

There were no declarations of interest.

In-Year Application

The committee considered a Category 6 in-year application for Year 1. The application was refused on the basis that the year group is already at the maximum infant class size.

AOB

JG updated the committee on the status of a Year 5 pupil who had not returned to school following the re-opening on March 08th 2021. In usual circumstances a child who does not return to school after 20 days is usually removed from the roll, however the advice from the Borough given continuing parental concerns over Covid is to extend this period. JG is therefore in correspondence with the Borough and awaiting their advice on when the cut-off date should be. If the pupil does not return to school and a space becomes available, the Admissions Committee will meet to consider offering the place to those on the waiting list at that time.
