Declarations of Interest

There were no declarations of interest.

Places to offer

There were places to offer in Reception Class and Year 2 for the beginning of the Summer term as a family will be moving away from the area. The Committee asked SL to rank the waiting list for both classes and offer the places in order of the published over-subscription criteria.

In Year Application – Reception Class

The Committee considered a Category 6 application for Reception Class. The application was refused on the grounds that the class is already at the maximum infant class size (assuming that the place available above will be filled by a higher category application – the new application will be included in the waiting list ranking).

AOB

SL mentioned that should three new pupils join Year 5 as planned on Monday 8th March, the school roll will be 241. All classes will be full and this is the highest number on roll in recent years that staff know about.

BH asked about progress on funding questions, further to items discussed at the previous meeting.

EHC Plan turned down: JG explained that parents of the pupil denied an EHC Plan assessment had appealed successfully and will now be assessed.

Y5 pupil starting 8th March: JG explained that unfortunately, RBWM had confirmed that no further funding is available to meet the needs of this pupil until an EHC Plan is in place.
