In Year Applications

BM presented an in-year application for Year 6. The committee agreed that the application should be refused on the basis that the class is already at the numbers agreed with the local authority.

Category 2 Application

BM presented a Category 2 application (exceptional medical or social needs) for Year 4. The committee agreed on the basis of the information provided, that Holy Trinity could offer the family an opportunity to establish a stable routine which another school wouldn't be able to, as places would be required across three year groups. The committee agreed to offer a Year 4 place even though the class is already at the number agreed with the local authority. This is because they felt the situation was unique and agreed that the criteria for Category 2 had been met.

SL to offer the Year 4 place to the applicant.
