New Applications

The Committee considered eight new Category 6 applications. All KS1 applications were for classes which are currently full and so were refused on the grounds that classes are already at the maximum infant class size. All KS2 applications were for classes which are currently full and so were refused on the grounds that classes are already at the number agreed with the local authority.

AOB

BM told the committee that she would report Admissions activity at the next Full Governors' Meeting and will soon be producing the 2021/22 Admissions Policy for Governor review.

There was no further business.
