## Dear Parents/Carers

## Term 2 Value - Truthfulness

The weather has at last turned colder so please make sure your children have coats in school every day. Speaking of garments, thank you so much for all your contributions to a great haul for Bags 2 School this week which raised £188 for the PTA!

Our value for Term 2 is 'Truthfulness' which will be embedded in our activities here in school. Perhaps you could discuss what it means to be truthful at home. What does it mean in your family? Do you know any synonyms for truthfulness? Does truth always matter? How does being truthful help our learning?

***Don't forget the Class 3C Bake Sale today!***

## Can You Draw Happy? Art for Magnolia House

The Patients' Forum at Magnolia House invite the children to produce some art work for the screen in the surgery waiting room. Can you produce a picture entitled '**Happiness**'? The deadline to hand these in to school is Monday 5th November. They will need to be 2D so that they can be scanned.

***The House winning the most points this week across the whole school is **Air**. Well done **Air** and enjoy your extra playtime today!***

## **Years 3 and 4 Visit Ufton Court**

Yesterday the class and I went on a school trip to Ufton Court. To get there we had to get on the coach, the person that I sat next to was Sophie B. When we arrived we put our lunch and gloves in the barn then went outside to begin our first task.

Firstly we had to make a semicircle then listen to the teacher who was speaking about armour and weapons. Alisha got to try on a Roman helmet! John (the man who was teaching us about the Romans) then told us to make up Roman names. A girl's name usually ended in ea ia and ai so my name was pretty much Sophia or Sophiaea. A boy's name ended in us or ius.

The second thing John asked us to do was to pretend to be Roman legionnaires. The group I was in was ok but now we all know how hard you had to train to be a Roman soldier. One of the facts that John taught us was that you always hold your shield in your left hand and your sword in your right. We also learnt how to make a shield wall which is where you held up your shield and stood shoulder to shoulder with the two people beside you and made sure your shields are together with no gaps otherwise you would be dead. We learnt two other actions one of which included holding shields above our heads!

After that we went inside and got to hold some amazing Roman artefacts most of which were from Pompeii. We had to sit in groups of three. I was in a group with Sadie and Sophie B and after we had held the artefacts we had to do a quiz about them. The group I was in got 5 out of 10. I think we did very well.

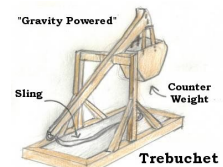

Then it was lunch and I had a salami sandwich.

After that it was the last and my favourite activity. We had to build a trebuchet. I was in a group with Sadie, Sophie B, Bowen, Freddie R, Adam, Maahir, Alex and I think that's everyone.

So first the group I was in asked me to get four long bolts so they could screw them on either side. When Sophie needed help putting the top on a bolt I helped her put it back on. Then we tied another part of the trebuchet and then we were done and shot a sponge.

I loved the school trip.

**Sophia—Year 4**

Yesterday we went to Ufton Court. We got on the bus and it took about 30 minutes to get there. When we got there we went in to a stable and met John. He asked us some questions about the Romans.

After that we went outside and John taught us some formations. The first one was the Shield Wall where we all line up beside each other with shields and no gaps. Another formation is the Orb where everyone would form an orb shape. They would do it to protect special people or special things. The last one was the Testudo where three people protect the front and three people protect the back with shields and a bunch of people in the middle hold their shields above each other.

Next we went inside and sat in groups of three and we felt Roman artefacts. We passed them round and they felt very interesting and looked kind of weird. Then we did a quiz about what objects they were and some of the answers I was surprised about. My team got 5/7 correct.

At the end we built catapults which was my favourite part. We built it by placing the wood planks onto another one and nailing them together. When we launched it, it was so cool – we launched it with a sponge. Then it was time to go home so we got on the bus and went home. I enjoyed it because I like learning about the Romans and it was just fun. I think it was the best school trip.

### ***Years 3 and 4 Visit Ufton Court (cont...)***

On Tuesday 3G and 3C visited Ufton Court to experience life in the Stone Age. They were tasked with making threads out of wool, making fire with a number of techniques, knocking pigeons out of trees and hunting and gathering for items that may be useful in Stone Age life.

In the afternoon 3G became the Turka tribe and 3C became Lotha tribe. We went to our land with our tribes and Turka attempted to take the land from Lotha. After a number of battles involving axes (not real thankfully!) and rocks (made of sponge) the elders spoke and told the tribes to live together in peace and harmony, the new combined tribe was named Tralotha!

All the children had a fantastic time and engaged well with their learning, they were all polite to staff and we were all incredibly proud of how they represented the school. We would also like to say a big thank you to our parent helpers - Mrs Moss, Mrs McKnight, Mrs Fleming and Mrs Temple.

### ***Year 5 & 6 Netball League Match 1 - Goals Galore!***

Our year 5 & 6 netball team took part in a highly-competitive and exciting match on Thursday evening against SAVS at the Marist. The score changed frequently and the match eventually ended in a draw, 12 all. Our goals were scored by Rebecca and Megan who scored 6 goals each! For some it was their first match and all players played fantastically well. SAVS awarded 'Player of the Match' to Megan. Well done to our team: Lara, Manika, Megan, Molly, Nancy, Rebecca, Scarlett, Sophie, Tianna and Will.

### ***Poppy Appeal***

We are supporting the Royal British Legion Poppy Appeal in school. The following items are available to children and adults in school and from the school office for donations as suggested below:

### ***Can't Pick Up from School?***

Please make sure you have a back up in place should you unexpectedly find you're unable to pick your children up from school. This might be a family member, neighbour, friend or a registration at the After School Club, for example, who can step in at 3.15 to make sure your children are picked up safely. We have had several instances lately where parents have expected school staff to look after their children after school. This simply isn't possible. Meetings are scheduled here, often at other schools and at RBWM after 3.15 and there should be no expectation that staff will be available on site to supervise your child. Thank you for your co-operation with this important matter.
