Dear Parents/Carers

Term 6 Value - Responsibility

Here we are in the final term of a year which seems to have flown by! Let's hope we have some good weather for all that remains. Our value this term is Responsibility which features in many aspects of home and school life so please take the chance to have a chat about what responsibility means to you at home if you can. Year 5 and 6 children will have plenty of chances to take responsibility as they head off on their residential trips. Year 6 will be staying at a wonderful outdoor activity centre called Mill on the Brue in Somerset from Monday to Friday next week and Year 5 will be visiting Hooke Court Study Centre near to the coast in Dorset from Monday to Wednesday on the 25th June. It will certainly be quiet next week as the Year 6 class take a break from rehearsing for their production this year. The production will be in the Cordes Hall in Sunninghill on 11th and 12th July, supported by a chorus of the whole of Year 4 and Year 5. Please do book the dates in your diary so that the children are available and you can come and watch! Sports Day is another important day for the diary which will be in the morning on Thursday 28th June this year. More details inside. Don't forget too that you can sync your mobile device to our website calendar to help you to stay up to date with everything that's going on.

The PTA summer fair is fast approaching. Key an eye on Classlist for more information.

Well done to *Fire* who earned the most house points this week. Enjoy your extra playtime!

Star of the Week

Congratulations to the following pupils who were awarded 'Star of the Week' for week ending 8th June 2018:

Reception— Ernie for always having creative and innovative ideas.

Class 1— Matthew for persevering when things get tricky and for excellent focus this week.

Class 2P — Daisy for super multiplication and division work in maths.

Class 2W — Demi for her positive attitude towards PE and putting in effort to improve her running technique.

Class 3— Micah for his attitude towards leaning and showing perseverance.

Class 4— George for offering Miss Harding the opportunity to walk through the door first.

Class 5— Max for his contributions to discussions in English. Well done.

Class 6— Archie for his enthusiasm whilst rehearsing songs for our production.

Holy Trinity CE Primary School take safeguarding very seriously. If you have a concern, please do not hesitate to report to our designated staff;

Mrs P. O'Brien, Mrs J. Griffith, Miss S. Harding, Mrs V. Woods.

Green Redeem

Earlier in the year we asked you to make sure you were registered for the Green Redeem scheme in RBWM and to donate your points towards our school project to develop a Sensory Garden if you felt able to. Several schools are part of the current donation scheme, which comes to an end shortly. The money available for school projects will be split across the nominated schools according to the number of points donated. At the last check, Holy Trinity School was topping the table so a huge thank you for donating all those lovely points so far! We now need a last push to maximise the contribution we'll receive, so please remember to donate any new points you may have accumulated as we come towards the end of the period.

Increasing numbers of children are arriving at school late and several children are arriving late for school on a regular basis. Children must be in school before classroom doors shut promptly at 8.55. Late arrivals are disruptive for the class, teachers, assembly, the kitchen, school office and the children themselves. All children arriving after 8.55 are given a late mark in the school register which remains part of their ongoing school record. Please make every effort to get your children to school on time.
