## Dear Parents/Carers

## Term 5 Value - Tolerance

**New data protection regulations come in to force today (GDPR). The regulations are good news for everyone in the new global data economy, giving each of us more power over the data which organisations hold about us. In school we use and process personal information and will publish our new privacy notice on the website today. You will also receive a letter with more information about GDPR and how this affects our policies going forward. These include new policies and revisions to existing policies covering parent code of conduct, e-safety, use of social media and confidentiality, acceptable use, safeguarding and child protection. We will also be reviewing our home school agreement for this September.**

**Holy Trinity CE Primary School take safeguarding very seriously. If you have a concern, please do not hesitate to report to our designated staff;**

**Mrs P. O'Brien, Mrs J. Griffith, Miss S. Harding, Mrs V. Woods.**

## *The Royal Wedding*

Year 1 made their own preparations for the wedding of the year with very special cakes and Harry and Meghan masks!

## *Online safety*

WhatsApp has recently increased their minimum age for users in EU countries from 13 to 16; anyone with a WhatsApp account will have to confirm that they are aged 16+.

The minimum age for other social media such as Facebook, Instagram, Twitter, YouTube, Pinterest and Musical.ly currently remains at 13.

Please do ensure that you know if or how your child uses social media so that they can be supported in making safe and informed choices and are only accessing age-appropriate material.

## *Investors in Pupils*

We are working towards achieving the Investors in Pupils award. An Investors in Pupils school recognises that pupils are the central focus of the school, actively involving pupils in everyday decision making, listening to their views, responding to their needs and encouraging them to take on additional roles and responsibilities.

This involves working with all the pupils to promote five key areas: achievement, attendance, behaviour, induction and classroom management.

# Road Safety

Road Safety is one of the most important things when walking to school by yourself (especially when you live far away and cross many busy roads). A few days ago a lady called Imogen visited Year 6 and taught us the Green Cross Code to make sure we were just that little bit safer whilst crossing roads. Before I knew what the Green Cross Code was I was a bit unsure what to do when it came to a busy road. Now I know, let's make sure you know it too…

1. Stop and take a step back from the curb.
2. Look left, look right, listen.
3. If it's safe and there are no cars then cross the road.
4. Wherever possible always use a crossing.

## *Things to watch out for:*

1. Never try to cross on a corner to make sure that you can see the road clearly.
2. Don't try to cross between parked cars for the same reason.
3. Watch out for cars travelling at speed as they take longer to stop. Even at 20mph it can take **12 metres** for a car to stop!
4. If someone slows to let you cross, make sure you have eye contact with them to be sure they've really seen you.

As Year 6 are moving to secondary school soon, we will be walking more by ourselves. As you move up a class, maybe you will walk on your own. Take care to follow the rules in order to stay safe!

## PTA Communications

As of today GDPR comes into force - all communications will be via Classlist. Tip of the week - don't forget you can organise parties using the "private event" function!

## Summer Fair

Hampers for the Summer Fair have been announced and your Class Reps will be in touch regarding further details.

We are in urgent need of Raffle and Auction prizes for the fair - we'd appreciate anything you can get - please let any member of the committee know if you can help.

## Stamptastic

Stamptastic is a hassle free way to stamp your child's name onto all their clothing, including those difficult items e.g. socks! Any purchases via Stamptastic will earn the school 20% of the value of the order. Simply use the following:

1. Go to the following webpage: General (Your) Affiliate Link: https://stamptastic.co.uk/pages/school-welcome#a_aid=5afd3cf525bc4
