NEWSLETTER

27th April 2018

Dear Parents/Carers

Term 5 Value - Tolerance

Welcome to this week's newsletter! School is very busy and purposeful as usual, not least as Years 2 and 6 make their final preparations for SATs (Statutory Attainment Tests). The children are required to sit these towards the end of Key Stage 1 and Key Stage 2 and they are well prepared—there is nothing to worry about. But how can you help? A reasonable bed time and a good night's sleep is important before any school day but especially so before test days so that children are ready to go! Some children do look really tired in the mornings on arrival at school and find it difficult to engage in learning when they've had a late bedtime. Many thanks for your help with this.

You will see on Page 2 that the School Council continue with their interviews of key members of our school community and next week they will be visiting Buckingham Palace to learn about the role of the Queen and how this is relevant in today's society. We hope to have some good photos to share next week!

In other news, please do support the PTA with their efforts to be GDPR compliant. To hear about what's going on and to receive helpful reminders sign up to **Classlist** as soon as you can—this will be the communication tool of choice for our PTA going forward and they've worked hard to put this in place for you.

Would you be prepared to have an estate agent board on your property for just six days advertising our summer fair? If we can get 65 boards in place in the local area, one of the local estate agents will donate a very significant amount of money to the PTA. What's not to like? See more information in the PTA Update!

The Year 6 Bake Sale today will feature freshly prepared Sushi in addition to the usual fare so do come prepared!

Investors in Pupils

As a school, we have been working hard towards achieving the 'Investors in Pupils' award. This has involved work such as the School Council interviewing various members of the school community to find out about their roles (you have seen the interviews here in the newsletters). We have also been deciding on class and individual targets.

'Pupil voice' has been a focus, creating such roles as Head/Deputy Boy/Girl; School Councillors, Digital Leaders, Sports Leaders, House/Vice Captains & Class Ambassadors. We have encouraged pupils' involvement in Collective Worship, playground design, curriculum topics and many more such initiatives.

We hope to achieve the award by the end of the year.

Holy Trinity CE Primary School take safeguarding very seriously. If you have a concern, please do not hesitate to report to our designated staff;

Mrs P. O'Brien, Mrs J. Griffith, Miss S. Harding, Mrs V. Woods.

School Council interview with Mrs Williamson (PTA Chair)

24th April 2018

James asked: How many hours do you work ?

I've got lots of jobs but in the PTA chair role I do 2-3 hours per week but if we've got a big event coming up it might be 5 or 6 hours.

Max asked: Is it hard to be the Chair of the PTA?

It's not hard really – the hardest thing is getting enough teachers and parent volunteers to go ahead with the events.

Grace asked: Do you enjoy being Chair?

I really enjoy it – I'm very lucky I get to meet all the parents, teachers and children. The school is really involved which makes the job easier.

Rhys asked: How did you become Chair of the PTA?

The PTA has a committee which is a group of people that makes sure we do everything correctly. I had to speak to the committee and put myself forward for the role. Then I checked with the school as well and was appointed as Chair.

Sadie asked: Is it fun being the leader of the PTA?

It is fun – we get to run lots of fun events and we have fun as parents organising them.

Oliver asked: What's the best thing about being the Chair?

I love seeing happy parents, children and teachers. I like that we're making a difference for the children.

Demi asked: How long have you been the Chair of the PTA?

I only started this role in January. There is no limit on the number of years you can be Chair for - as long as the school is happy. It could be joint role shared with someone else.

Edward asked: Which event tends to raise the most money?

The biggest events are the Christmas and summer fairs. They raise the most money because they have the most number of stalls and so many people visit and spend their money!

Isis asked: What are you going to spend your money on this year?

This year we've worked with the school and we've decided we're going to put as much money as we can to build the Spiritual Garden. We also pay for various other things every year like Bug Club, Purple Mash and Mathematics.

Chloe asked: How many members are there in the PTA? What are their roles?

On the Committee we have a Treasurer, a Secretary, a Chair, and a Vice Chair. The Secretary is responsible for communicating with parents in the class and taking minutes in meetings. The Vice Chair supports the Chair and helps organise events. The Treasurer makes sure all the money given in envelopes for events is collected, counted and banked. They let the PTA and school know how much money there is available.

Class reps communicate with the parents in the class organising helpers for events and letting everyone know what is going on. They run the Bake Sales too.

All parents automatically become members when their children join the school

Bowen asked: Is there anything frustrating about the role?

I think the only thing is that I can't always be in the school for all events as I work as well. Or if we have to cancel events because we don't have enough help.

School Council interview with Mrs Williamson (PTA Chair) cont...

Manika asked: How much money does the PTA usually raise? What do you spend the money on?

Every year is different but it's usually around £11,000. Then the Bake Sales raise about £2000. The Bake Sale money is spent by that class on a class trip or similar.

Zara asked: What do the PTA do?

Obviously we raise money but most importantly we involve parents in being part of the school community. We aim to build relationships between parents, staff and children.

In meetings we discuss events coming up and ask for ideas. We discuss how we'll spend the money and share any other information.

Noah asked: Do you get paid to do the job?

No it's a voluntary role.

When a new Reception class comes in what do you tell the parents?

We answer lots of questions. Things like: What am I expected to do as a parent for the PTA? Who do I ask if I have a question? What the PTA do? Who are the PTA? We also tell them about the PTA letterbox and website page.

News and Updates

Could you spare some bedding plants?

The Reception children have spent this week clearing their flower beds of daffodils. We have planted potatoes and onions. If anyone has any spare bedding plants for our other pots we would be very grateful.

With many thanks

Mrs Tomes, Miss Duncan and Miss Hing

Increasing numbers of children are arriving at school late and several children are arriving late for school on a regular basis. Children must be in school before classroom doors shut promptly at 8.55. Late arrivals are disruptive for the class, teachers, assembly, the kitchen, school office and the children themselves. All children arriving after 8.55 are given a late mark in the school register which remains part of their ongoing school record. Please make every effort to get your children to school on time.

Who is picking your child up from school?

If someone different will be picking your child up from school, please make sure you let the class teacher know in the morning. If you have forgotten to do this, please call the school office as early as possible so that a message can be passed to the class teacher.

Thunk of the Week

Which is more important: being right or being kind?

Class 6

Check out www.thunks.co.uk for more thunks to chat about at home.

PTA Update

Bake Sale Today (including home made sushi!) - please come and support Year 6 by buying some sushi or cakes after school.

Data privacy form - you will have received a communication from your class rep and via Classlist - please could we ask that you sign these if you haven't already done so asap.

"Have a board" Sponsorship

A new local estate agent has agreed to give a substantial donation if we can get to 65 boards being put outside properties in any of the surrounding areas. This would require your having the board for only 6 days and could potentially raise an extra 50% of funding for the school fair on top of our regular stalls. If you could take one contact Mark D'Costa with your name and address - thank you!

Many thanks,

Andi, Belle, Mark, Michelle, and Karen.

Snapchat is a photo sharing app for mobile phones and tablets. The app allows users to share images for a limited number of seconds, chat with users before messages disappear, and share images with their friends list through a 'story'.

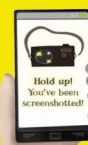

What parents need to know about **SNAPCHAT**

SNAP MAP

In 2017, Snapchat introduced a new feature called 'Snap Map', which allows users to see the EXACT location of the people on their friends list in real-time and watch stories from around the world. Users can view a map called a 'Snap Map'. This feature completely exposes your child's location and users can potentially follow your child from their home to their school.

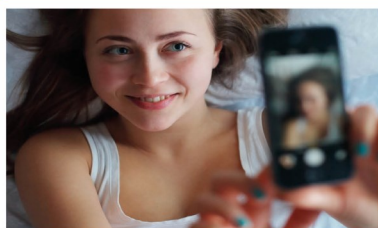

'SNAP STREAKS'

'Streaks' tell users how many days in a row they have spoken or sent 'snaps' to one another. What's dangerous about this? It forces young people into putting a false sense of importance on a superficial number to the extent that it becomes something that can make or break a friendship. For example, if a person forgets to message or send a picture to their friend, breaking their 200-day streak, this could cause a confrontation between the friends. This can put an incredible amount of pressure on children to keep streaks.

SCREENSHOTS

While Snapchat's gimmick is that all photos, videos and text disappear after a maximum of 10 seconds, users can still screenshot or save them. Users may sometimes forget that screenshotting is a possibility in the app and send an image to someone they trust.

SEXTING

Due to 'Snaps' disappearing soon after they're received, (users can even send a one second photo or video), Snapchat has become the chosen platform for sending sexually explicit images or 'selfies' to someone. The short amount of time gives children the confidence to send the pictures.

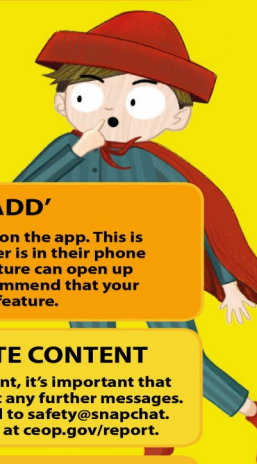

Once a photo/video has been screenshotted, this can lead to further dangers, such as blackmail and cyberbullying. It is illegal to make, possess, download, store and share sexual images, photos and videos of a person under the age of 18. This also includes any sexual images, photos and videos that a child may have taken of themselves.

However, if a young person is found creating or sharing images, the police can choose to record that a crime has been committed, but that taking formal action isn't in the public interest.

Top Tips for Parents

THINK BEFORE YOU SNAP

Ensure that your child knows that 'Snaps' can be screenshotted and teach them that if they post anything potentially embarrassing or harmful (either of themselves or someone else) it can have severe consequences, as if the message lasted forever.

EDUCATE ABOUT RISKS OF SEXTING

It can be slightly awkward talking about this topic with your child, but if it helps them protect themselves, then it is worth it. Talk to them about the consequences of sexting and make sure that they're aware of the risks prior to using Snapchat.

RESTRICT WHO CAN VIEW THEIR STORY

Your child can add videos and images to their 'Story' throughout the day which last for 24 hours. By default, anyone in their friends list can see their story. We recommend that children only have their close friends and family on the app.

ENTER 'GHOST' MODE ON SNAP MAPS

We highly recommend enabling Ghost Mode on the app so that your child's location will no longer be visible to anyone on the 'Snap Map'. To enable this, go onto the Snap Map and tap the cog in the top-right corner. Here, change your settings to 'Ghost Mode'.

DISAPPEARING ILLEGAL CONTENT

Snapchat 'deletes by default' which means every opened snap image or video is automatically deleted. If your child has seen criminal activity on Snapchat, you should report it immediately - See 'Reporting Inappropriate Content' above.

TURN OFF 'QUICK ADD'

'Quick add' helps friends find each other on the app. This is based on mutual friends or if their number is in their phone book. Explain to your child that this feature can open up their profile to strangers. We highly recommend that your child turns off the 'Quick Add' feature.

REPORTING INAPPROPRIATE CONTENT

If your child is receiving inappropriate content, it's important that you report it. First block the sender to prevent any further messages. You can then report this by sending an email to safety@snapchat.com. If the problem persists, contact CEOP at ceop.gov/report.

THINK BEFORE YOU SNAP

Ensure that your child knows that 'Snaps' can be screenshotted and teach them that if they post anything potentially embarrassing or harmful (either of themselves or someone else) it can have severe consequences, as if the message lasted forever.

HOW TO DEACTIVATE SNAPCHAT

If your child wanted to delete their Snapchat account, simply deleting the app from their phone is not enough. To deactivate the account, users will have to log in to their account on desktop or on their mobile device (not through the app). Here, you:

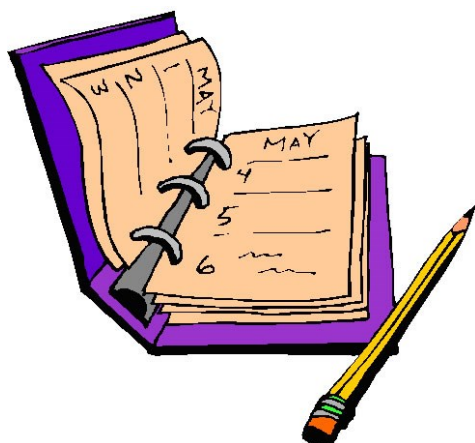

- 1) Go to support.snapchat.com/delete-account
- 2) Here, click on 'Delete my account'
- 3) You will then be asked to enter your username and password again

Is your child protected against MMR?

Measles • Mumps • Rubella

All children in the UK are usually offered the MMR vaccine at 12 months and again at 3 years and 4 months, which means they would be fully protected against these diseases by the time they start Primary School.

To make sure your child's vaccines are up to date either check your child's personal child health record (red book) or contact your GP.

If your child is not up to date with their
MMR vaccines it is not too late to get this done

Windsor Chinese Academy

Mandarin Chinese After-School Club

Dear Parents

We are delighted to announce that Mandarin Chinese for pupils will run this summer. The Windsor Chinese Academy will provide a structured programme for beginners, starting on Wednesday 2nd May. This Chinese language club follows a curriculum which teaches a new foreign language to your daughter including speaking, reading, listening and simple writing. The lesson plans are fast-paced and promote participation from all pupils. Through fun activities pupils will acquire enough knowledge to enjoy using the language for communication and expression. Some Chinese culture and celebration of Chinese festivals will also be taught. For GCSE & A level lessons the Windsor Chinese Academy can also offer 1 to 1 lessons separately if you require.

After school Mandarin Club lessons:

When: Wednesday 4:15pm to 5pm for Yr3-6
