

Dear Parents/Carers

Illness in School....

We have lots of illness in school affecting children and staff alike. When reporting illness, please state clearly what illness is affecting your child so that we can track and monitor this. Please can you help us by:

- Reporting that your child will be missing school by 9.30am on each and every day of absence
- Always reporting what illness your child is suffering from on the absence line
- Leaving at least 48 hours after the last episode of gastric upset before returning your child to school
- Not bringing your child in to school with a high temperature even if you have given them medicine to reduce the temperature
- Teaching and demonstrating good handwashing habits using soap and warm water

Thank you for helping with this. We hope to be through this spell of illness soon!

Don't forget the 2W Bake Sale Today!
