Enjoy a truly **rewarding career** in **primary or secondary teaching** and give children in Windsor a chance to reach their potential. We offer both **salaried and tuition fee routes** into teaching in a wide range of subjects across a number of successful and supportive schools.

As a trainee teacher, you could receive a scholarship or bursary of up to **£28,000** while you train, with early career payments in some subjects, or a minimum starting salary of **£16,000**. Our tuition fee route costs £6,000; both salaried and training routes enable you to gain Qualified Teaching Status, a Post-Graduate Certificate in Educational Practice and 60 Masters credits. You can apply for primary and secondary places through our UCAS Lead School Windsor Girls' School.

By training with WTA and our SCITT providers, RBWM and Buckinghamshire New University, you would join a tradition of successful primary and secondary trainees.

Training with us might also give you the opportunity to become the most important influence on a young person's life. There are varied and rich opportunities to train at the **WINDSOR TEACHING ALLIANCE** through Schools Direct.
