

Join our Team at Sunningdale Pre-school

At Sunningdale Pre-school we are on the hunt for an Early Years Educator to join our passionate team; who love to laugh as much as they love to learn. This isn't just a job; it's an adventure where every day brings new discoveries, challenges and tiny high-fives! Step into the world of wonder and help us build a brighter future, one storytime at a time!

You must hold a Level 3 qualification, or higher, in Early Years (superheroes need the right training!). You will have the experience and knowledge to turn every day moments into learning opportunities and know the EYFS like the back of your hand.

You will have a desire for succession; as the ever-changing needs of families and of Pre-school change, you will want to change with it.

All applications are subject to DBS checks and 2 satisfactory references.
