

What to do if your child is displaying symptoms of coronavirus (COVID-19)

Symptoms (any one or more of):

- New continuous cough
- High temperature
- Loss in their normal sense of taste or smell

What to do if....	Action needed	Return to school when...
...my child shows symptoms	• Do not come to school • If they are at school, we will call you and ask you to collect ASAP (along with any siblings) • The rest of the household isolate for 14 days • The child showing symptoms needs to be tested • Follow instructions on this NHS website • Other household members do not need a test unless they are showing symptoms • Let school office know outcome of test	The test comes back negative.
...my child tests positive for coronavirus.	• Do not come to school • Contact school office immediately • The child isolates for 10 days • The rest of the household isolate for 14 days • Other household members do not need to be tested unless they show symptoms	...they feel better. They can return to school after 10 days even if they have a cough or loss of smell/taste. These symptoms can last for several weeks once the infection is gone.
....somebody in my household has coronavirus symptoms.	• Do not come to school • Everyone in the household must stay at home • The person showing symptoms needs to be tested • Contact school office immediately	the household member tests negative
...somebody in my household has tested positive for the virus.	• Do not come to school • Contact the school office immediately • Isolate at home for 14 days	the child has completed 14 days isolation
... the school or NHS Test and Trace have identified my child as a 'close contact' of somebody with symptoms or confirmed coronavirus	• Do not come to school • Contact school immediately • Self-isolate for 14 days	the child has completed 14 days isolation
...we/my child travelled and have to self-isolate as part of a period of quarantine	• Do not take unauthorised leave in term time • Consider quarantine requirements and FCO advice when booking travel • Provide information to school If you are returning from a destination where quarantine is needed: • Do not come to school • Contact school immediately • Self-isolate for 14 days	...the quarantine period of 14 days has been completed
...we have received medical advice that my child must resume shielding.	• Do not come to school • Contact the school immediately • Shield until you are informed that restrictions are lifted and shielding is paused again	...school/medical professional informs you that restrictions have been lifted and your child can return to school again
