

Orange Tree Glass Unique fused glass pieces

I am Marianne, based in Chobham. My passion for fused glass began in a workshop in 2018 and my first pieces were an orange tree, a lemon tree, and an olive tree from our garden. I love experimenting using colour, the sea and beach, and our orange trees. Some of the commissions I received have enabled me to further develop my creative side!

Orange Tree Glass creates original fused glass pieces; panels, pictures, coasters, dishes, cheese platters, greetings cards, decorations, suncatchers, tealight holders and more!

All pieces are designed and created in my home workroom, fired in my kiln and make unique, beautiful hand-crafted gifts or treats for yourself. Bespoke or custom-made pieces are most welcome.

Items are gift wrapped and if sent as gifts, can include a handwritten card with your special message.

Visiting my studio is possible by appointment only, subject to Government Coronavirus guidelines.

Noah Morris

I am Noah Morris, an ex pupil of Holy Trinity School, local lad turns fine furniture maker! I have a workshop in the heart of the city of Worcester where I design and make a variety of beautiful things. These range from simple every day items such as chopping boards and trays, to gifts such as jewellery boxes or mirrors, to larger bespoke furniture pieces.

I was inspired by my teacher Mr Stagg at Charters school to look into working with wood and I started my furniture-making journey as a sixth form graduate at Peter Sefton's Fine Furniture School where I qualified with distinction. It was there that my craftsmanship developed with a passion for perfection and a finely-tuned attention to detail. Upon graduation, I was invited to join a team of craftsmen making for a high-end designer in London. During my time there, my skills were honed and the dream of starting a bespoke designing/making furniture company was sparked.

At Noah Morris Bespoke, I work with my clients to envisage beautiful and functional pieces of art and see them taken from an idea to a design concept to creation of the final piece. With a wide range of materials available, we can explore different colours, textures and styles. The final piece should be a personal celebration of the wonder and beauty of wood. Let's make something together!

Paddleboard UK

A brand new, small business recently opened on the banks of the Thames in Bourne End, Bucks – 5 minutes from neighbouring town Marlow. Offering introductory and improver lessons for Stand Up Paddleboarding, along with equipment hire for those more advanced paddlers.

Children aged 8 and above are welcome to participate on their own board, provided they are water confident and are tall enough to hold their own paddle. Children younger than this or unable to paddle are still welcome to join but will have to share a board with a parent or legal guardian.

We cater for all shapes and sizes and all abilities are welcome at our private and spacious garden and River Mooring called 'Rambler Quay' on the banks of the Thames. A short walk upstream from Bourne End marina, or a 3-4 minute walk from the Spade Oak pub via Coldmoorholme Lane – at £35 per person for a 2 hour lesson, you will struggle to find better value within 100 miles.

Fully qualified and insured, Jamie Macleod leads the instructor team offering 3 introductory group sessions every Saturday and Sunday through the Summer, with group sizes capped at 4 (or 5 for larger families) – you're guaranteed quality one on one time with Jamie to learn the basics and get you standing and paddling safely and effectively within the 2 hour session.

Hire is available for those with experience, competitive rates and some of the best equipment on the market is all included in the prices (Buoyancy Aids, leashes, boards, paddles, dry bags are all provided – you just need to come dressed for the occasion!) To find out more, visit the website www.paddleboarduk.co.uk or check out their Instagram page @paddleboarduk or call or WhatsApp Jamie on +447919 228735.

Usborne Books

If you are looking for gifts, boredom busters, holiday activity, books for all ages or family entertainment then please get in touch. I am happy to make recommendations if you are not sure what you are looking for.
