

VIRTUAL FAIR STALLHOLDERS

Sunny Honey

Carl Creswell, whose daughter is in year 4, keeps a small number of beehives in the Sunningdale area as a hobby, and has jars of honey for sale this autumn. The honey is produced locally and makes great Christmas presents.

The honey produced during the year will vary depending on the flowers the bees are visiting. This means that the colour of honey you receive will vary, but all are unique and delicious! We can take orders until 1 December, and will deliver gift-wrapped jars.

Cost: £7.50 for a 1lb (454g) jar
£4 for a 1/4 lb (113g) hexagonal jar

If you would like to order, please send an email to sunnyhoneyorders@gmail.com

Welcome to Ruthie Warlow Art

Hello my name is Ruth and I'm an abstract artist based in Berkshire painting in acrylics and inks. I'm passionate about the outdoors and inspired by colour and the ever changing landscape around us. I have recently returned to painting after a long gap bringing up family and working another business. Lockdown brought the changes as I'm sure it did for many. Its time now to pick up the brushes where I left off and slow down the pace a little :)

Most of my larger work is on canvas or board and is framed in a floating frame to offset the artwork well and give a contemporary look. You can see examples on my social media pages. If you are looking for inspiration for your home then I can discuss the colours that you are looking for and we can have a chat about the options available to you.
