

EASTER TRAIL

Get creative with the children on the build-up to Easter and design your very own 'Easter Animal' themed artwork for everyone to enjoy seeing at your home. Think easter chicks/rabbits/lambs etc. This can be something you display in your front garden or stick into your window. As long as it's clearly visible from the pavement so that your friends can see it easily on their Easter Trail around Sunningdale/Sunninghill. There are prizes for the top three best designs as voted for by those who take part in the trail!

If you don't live within walking distance of the school, then you can still take part by providing your artwork for us to display from the school. Simply drop it into the school office before the Easter Holidays.

Trail maps will cost £3 and be available 27th- 31st March from the school office and from MyCloud Coffee (7 Silwood Rd, Ascot SL5 0PY) from 27th March throughout the Easter Holidays.

If you would like to display your easter creation, please provide your address below or write 'school' if you'd like us to display on the school site. Please post into the PTA post box in the School Office by Monday 20th March.
